

IMPORTANT NOTICE

for all UAF Member Clubs

For over a decade **MEAD Sport and Leisure Limited** has been the preferred Insurance Provider for *The Ulster Angling Federation*, giving Member Clubs access to a range of very competitive high quality insurance products designed specifically for the Angling Community.

Apart from *Public liability* insurance, which indemnifies The Club and it's Officers, **MEAD** also include a very important Section of Cover, which we and *The UAF* wish to bring to your attention.

The *Personal Liability* section of the insurance covers each and every Club Member fishing anywhere in the World and whether or not their Club or indeed *The UAF* are involved. It will indemnify each and every Member if they have been found to have been negligent (proven in the Eyes of the Law) and that said negligence has led to Injury to any Third Party or Damage to their Property – this includes any fellow Member as well as any member of the General Public.

Taking into account that over 85% of all fishing in the UK is 'social' this is a very important insurance benefit for all Members, for obvious reasons.

Some may have an element of insurance cover under their Household insurance but nobody would want to lose many years No Claims Bonus for the sake of an angling claim!

MEAD now provides this type of specialist angling liability insurance to well over 1000 Clubs in the UK and many of these have used the *Personal Liability* section of the cover to boost membership numbers – the cry of "Join our Club and we will give you **FREE Worldwide Personal Liability insurance fishing 24/7**" has been heard up and down the country and has helped dozens of Clubs halt the trend in falling numbers.

So we hope that this Notice will help all concerned appreciate exactly how wide their *UAF* led insurance is and take advantage of its potential to increase numbers.

In 2014 we saved one English Club from going out of existence by providing them with relevant Flyers, which they then distributed to their local Tackle Shops – this strategy attracted over 40 new Members within a matter of weeks!

Call the **HOTLINE** below or speak to Robbie Marshall at *The UAF* for more information
